

WEBINAR: BUY AMERICA(N) BRIEFING

AUGUST 23, 2022

Join us on August 23, when the Embassy in Washington, D.C., hosts a webinar on Buy America(n) provisions to bring Danish companies insights on how the laws affect their businesses and opportunities in the market.

**WEBINAR: BUY AMERICA(N) BRIEFING
AUGUST 23
14:30 (UTC+2) / 8:30 AM (EST)**

As a Danish company with activities in the U.S. or with plans to participate in the U.S. market, you should be aware that projects involving government funds come with certain conditions.

U.S. government procurement spending occurs within the framework of the Buy America and Build America legal structure, which the U.S. Congress has recently amended further with passage of the Infrastructure Investment and Jobs Act ("IIJA") in November 2021.

WHY PARTICIPATE?

During the free webinar, you will obtain an overview of the legal regime and how the funding operates on a contract-specific basis. Further, you will acquire a better understanding of the framework to assist you in making strategic decisions about participation in IIJA projects and contracts where Buy America and Buy American laws impose domestic content requirements.
